Hi Mr. Likas - I am hoping to have them sent to you by the end of this week.

I would like to make a suggestion on three of your FOIA requests: (1) GSA-2016-000012; (2) GSA-2016-000017; and (3) GSA-2016-000018.

Since these email pulls are similar in nature and that the email pull for GSA-2016-000012 is actually a duplicate for both GSA-2016-000017 and GSA-2016-000018, since 000012 contains the names of the individuals, I am requesting we close out 000017 and 000018. This will not only save time since email pulls are time-consuming, but it will also save on the cost that will be charged to you.

To show you what I mean, I have provided you below the descriptions of the three FOIA's in question and highlighted in RED the duplication:

- **000012** - AMENDED REQUEST: In the General Services Administration Region 9 email system, please provide to me in electronic format, **all electronic communications**, that are contained within the following search scope: (1) between the dates of July 1, 2015 and Sept 30, 2015, (2) contain the Job Vacancy Number 1509313VBMP, and (3) which contain any of the following names in the email traffic: **melissa.wong@gsa.gov**, and/or **katariina.tuovinen@gsa.gov**, and/or **william.darden@gsa.gov**, and/or **shirlene.fauchier@gsa.gov**, and/or **katherine.thompson@gsa.gov**, and/or **david.yun@gsa.gov**, and/or **brian.monroe@gsa.gov**, and/or **brenda.kong@gsa.gov**
- **000017** - Regarding the General Services Administration, in Region 9, for the six month period of November 1, 2013 to April 30, 2014, please send me, in electronic format, a copy of **all electronic communication**, either email or chat or text messages, for **Melissa Wong**, Financial Management Officer, Budget and Financial Management Division, Public Buildings Service, duty station in San Francisco, CA.
- **000018** - Regarding the General Services Administration, in Region 9, for the six month period of May 1, 2014 to October 31, 2014, please send me, in electronic format, a copy of **all electronic communication**, either email or chat or text messages, for **Katariina Tuovinen**, Director, Supervisory Budget Analyst, Budget and Financial Management, Public Buildings Service, duty station in San Francisco, CA.

Let me know if you agree so we can move forward on your requests. Thanks.

Hi Charles -

When the fee amounts have been determined, the fee package will be sent to you. Included in the fee package are instructions for paying the fee.

Good morning

Charles - The purpose of my phone call was to first discuss

the fee requirements associated with your newly

submitted

requests. We are in the process of determining what these

fees will be and should have this information to you within

the next couple of days. Please note that before we can

release this information to you, the fees will have to be

paid.

The second

reason for my phone call was to ask you if you were planning

to submit anymore FOIA requests. The reason I ask is that

some of your other FOIA requests could have been combined

into one request because of the similar nature of these

requests. The requests I am referring to are FOIA's

GSA-[2016-000029](#),
000030, 000036 and FOIA's 000030 and

000031.

I look forward

to receiving your feedback. If you have any questions,

please let me know.
